

HELP US BUILD A BETTER ECONOMY.

The New York Forum June 20-21, 2011

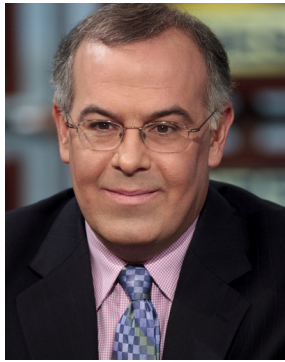

The New York Forum is a critical platform designed to address key economic challenges and opportunities and how businesses and national markets can create growth to produce jobs.

Event highlights include interactive discussions with top business leaders, exclusive interviews, an evening gala event, taskforces, networking lunches and much more.

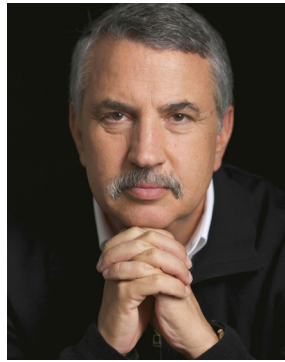

Actionable ideas that emerge from The New York Forum will be presented at the G-20 Summit in November 2011.
